Objection Battlecards

Page 2: Word-for-word counters & quick reference

1. Max / Fortis / Apollo jaisa hai kya?

Customer: "Bade hospitals jaisa hai kya? Doctors kaun hain?"

You: "Bilkul sahi sawal. Wahan har speciality ke senior specialists hain - cardio, ortho, gynae, paeds, surgery. Fark ye hai ki hamare doctors fixed salary pe hain, unka koi target nahi. Toh aapko wahi treatment milega jo zaruri hai - na faltu test, na zyada din admit. Aap app pe doctors aur specialities dekh kar khud decide kijiye."

> Same senior expertise + no billing incentive.

2. Gurgaon toh bahut door hai

Customer: "Main Noida / Rohini / Faridabad mein hoon, Gurgaon kaun jayega?"

You: "Sir, hum sirf Gurgaon mein nahi hain - 5 centres hain: IFFCO Chowk, Golf Course Ext. Sector 62, Faridabad Sector 2, Noida Sector 50 aur Rohini. Aapke liye sabse paas [HUB] hai."

> ALWAYS name the hub nearest the customer first.

3. Meri existing policy chalegi?

Customer: "Mera Star / HDFC / Care ka plan hai - wahan cashless hoga?"

You: "Cashless process Policybazaar ke saath integrated hai. Aap apni policy ka naam bata dijiye, main abhi system mein confirm karke batata hoon."

> Never guess - confirm insurer cashless status live.

4. Sirf clinic hai kya?

Customer: "Wahan surgery / ICU / admission hota hai ya bas OPD?"

You: "Ye full multispeciality hospital hai - operation theatres, ICU, daycare procedures aur diagnostics, sab ek hi jagah. Consultation se lekar surgery aur admission tak."

> Say 'OT, ICU, daycare' explicitly.

5. Discount kaise milega?

Customer: "Discount milega kaise? Family ko bhi milega?"

You: "Haan, aapko aur aapki immediate family ko. PB Health app pe apne Policybazaar wale mobile number se login kijiye aur wahin se booking kijiye - consultation, tests, checkups aur planned daycare pe discount milta hai."

> Walk them through the first app login on the call.

6. App baad mein download kar lunga

Customer: "Abhi zarurat nahi, baad mein dekh lunga."

You: "Bas 1 minute lagega sir - main link bhej raha hoon, abhi khol ke dekh lijiye. Emergency ke time pe download karna mushkil hota hai; app mein hoga toh family ke liye bhi turant booking ho jayegi."

> Send the link while still on the call; confirm it opened.

7. Insurance company ka hospital - wahin bhejoge?

Customer: "Aap apne hi hospital mein bhejna chahte ho na?"

You: "Bilkul nahi sir - aapki policy saare network hospitals mein valid hai, choice aapki hai. PB Health ek extra option hai jahan doctors salary pe hain aur aapko family discount milta hai."

> Position as a choice, never a restriction.

The 3-step recovery

1. **Acknowledge**: "Bilkul sahi sawal hai."
2. **Answer with the pillar** that kills the doubt (salary model, nearest hub, OT/ICU).
3. **Bridge to action**: "Main app ka link bhej deta hoon, aap khud dekh lijiye."
